Bright white LED technology

Energy Efficient

### Product Features

- A 6W system with four bright LED Lamps
- Consists of a unique 2W LED roof hanging light with three lighting modes - Bright, Medium, and Bed light mode, and 3 LEDs of 1 Watt each, and a control unit.
- Can light up 4 rooms at a time.
- LED Bulbs are long lasting and do not fuse easily.
- High efficiency solar panel.
- Easy to maintain and operate.
- Mobile charger with 5 pin adapter to support different mobile phones.
- Battery protection; full charge and low battery disconnection.
- Dimming option for the main 2 Watt light

### Product Benefits

- Saves money used to buy kerosene.
- Light up upto 3 rooms
- Multipurpose usage - lighting and charging mobile phone etc.
- Easy installation, operation, and maintenance.
- Lights last for long hours, helping meet daily household lighting requirements.
- Reliable as solar energy is free and abundant. No more blackouts.
- Environment friendly, zero emissions, and no smoke, fumes, soot, etc.

- No more health hazards like irritation in the eyes, cough, chest pain, breathing problems, etc., due to inhalation of toxic fumes from kerosene lanterns.
- Availability of all spare parts and good after sales support.
- Simple, reliable and sustainable solution.

### Product Specifications

- LED Wattage:
  - 2 Watt LED Light - 1 unit.
  - 1 Watt LED Light - 3 units.
- Battery: 6V, 10Ah SMF Battery
- Solar Panel: 6 Watts
- Mobile Charger.
- Optional A/C Charger
- Product Warranty: 1 year on light and 6 months on battery, 2 years on solar panel.
